Dear Ms. Rapicavoli:

This is a request to extend the referenced Interagency Agreement (IA) between EPA and IHS for a period of 12 months from 12/30/2018 to 12/30/2019 to complete planning and design of the project. Pertinent details of the IA and extension request are below.

- One (1) project was funded under this IA for a total of \$985,000.
- The Hopi Tribe Project U62 requires a 12 month IA extension to allow for the completion of the amended environmental assessment, survey services, and design documents for the Hopi Arsenic Mitigation Project.

Sincerely,

for 
Eric L. Matson, P.E., Acting Director
Division of Sanitation Facilities Construction
